WELCOME TO YOUR KIDS' HOME AWAY FROM HOME!

We're excited to have you join our Kelly Club family!

Our number one goal is making your child feel at home. We'll get to know your child and what they like to do so we can make sure they have the best possible time at Kelly Club.

You can help us out by completing the **About Me Profile** and bringing it with you on your first day. Go to kellyclub.co.nz/about-me to download. We will also have copies on the sign in/out desk, if you wish to fill it out at the venue.

The information in this booklet will help you and your child know what to expect from your time at Kelly Club. If there's anything else you'd like to know, come see us, we'd love to have a chat!

The image shows a form titled 'KELLY CLUB ABOUT ME'. It includes sections for 'Draw a picture of yourself', 'Name', 'Age', 'I can speak in', 'I can't get better at', 'I like things I don't like', 'I don't like things I don't like', 'I like things I don't like', and 'I don't like things I don't like'. There are also checkboxes for 'I have something you need to know about my child' and 'I have something you need to know about my child'.

A DAY AT KELLY CLUB

Every week at Kelly Club we have activities based on a different theme with a different type of activity each day (Cooking, Arts & Crafts, Games, Sport, or Discovery).

We vary our activities day-to-day to keep kids engaged, give them opportunities to try new things, and develop a range of skills. We encourage kids to participate, while providing options for playing fun games, quiet play and creativity.

Cooking – Cooking and baking get kids thinking about balanced eating as well as practicing science, maths, and reading skills.

Arts & Crafts – Arts and crafts get creativity flowing and help kids practice fine motor skills while they express themselves.

Games – Games get kids' bodies and minds moving while they practice life-long skills like listening, understanding instructions, and following rules.

Discovery – Discovery activities let kids direct their learning to explore culture, science, language, nature, and so much more.

Sports – Getting active is good for kids' brains as well as their bodies. It also teaches them about teamwork and fair play.

GETTING TO KELLY CLUB

Kelly Club is located at 7 Te Ra Road, Point Chevalier. You can find us at the school auditorium.

If you feel your child needs to be collected from their classroom by a staff member for the first few sessions at our after-school programme, let us know and we can arrange this. Otherwise, your child will make their own way to Kelly Club where they will be signed in by a staff member.

SIGNING YOUR CHILD IN & OUT

At before-school care, we ask that you sign your child in on arrival. We will sign them out when the school day begins. At after-school care, we will sign your child in when they arrive. When you pick your child up, you will be required to sign your child out.

We make sure that your child is signed in and out of every session ensuring they're safe and accounted for. A tablet or sign-in/out sheet will be available at the Kelly Club entrance.

Please make sure you list the details of all of the people authorised to pick your child up in your profile. We will not allow your child to go home with anyone who is not on this list without first asking you for approval.
